

PORTON BIOPHARMA

Manor Farm Road, Porton Down, Salisbury, Wiltshire SP4 0JG

Please Note when using “Sat-Nav” system ONLY use the post-code SP4 0JZ

Or use Manor Farm Road as your destination or follow the road signs from the A30/A338.

Directions: Porton Biopharma is collocated with the UK Health Security Agency on their site at Porton down in Wiltshire

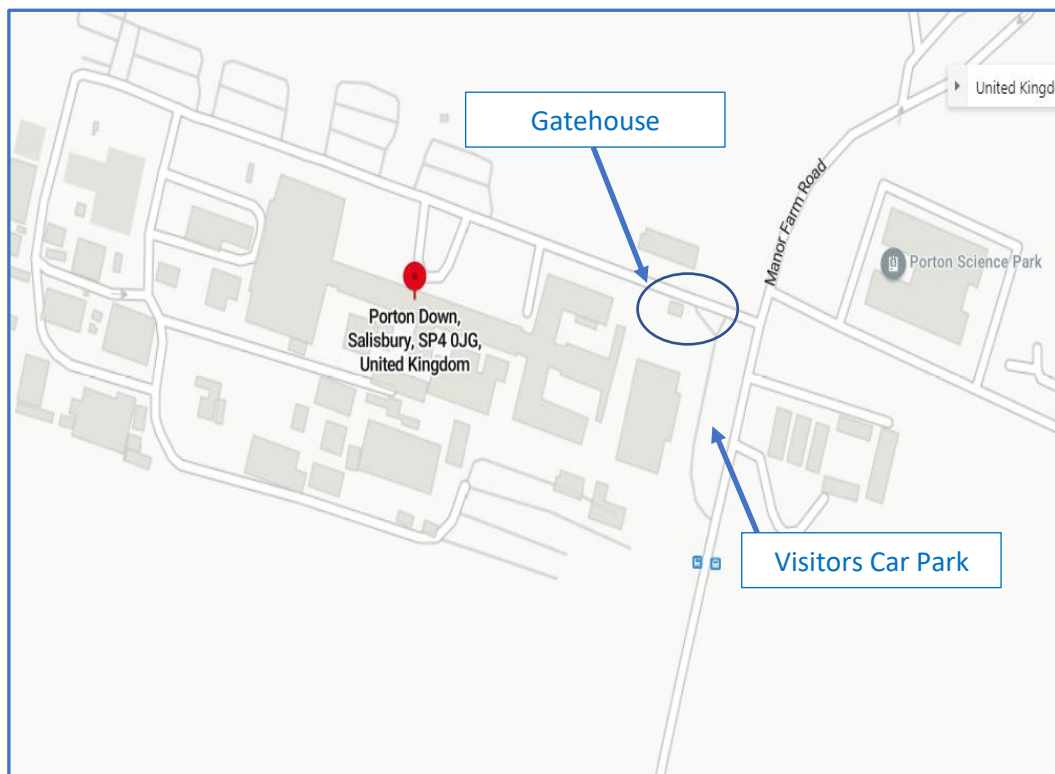

Road UKHSA is well signposted from the highway and the Winterslow Road across the MOD Ranges is suggested to be the primary route of access for visitors

Visitors arriving from the North and East are advised to use the M3 or A34, then the A30 through Stockbridge or the A303/A343 towards Salisbury. Turn right at the major intersection with several sets traffic lights as signposted. The junction is called The Pheasant.

Visitors from the West and from Salisbury take the A338 and turn right through Porton Village and under the railway arch.

Air The site at Porton Down is less than 2 hours' drive from Heathrow, Gatwick and Bristol airports, about 45 minutes from Southampton airport, and 1 hour from Bournemouth airport.

Rail Andover railway station is about 30 minutes from Porton by taxi and Salisbury railway station is about 20 minutes by taxi.

On arrival

On arrival at the Porton site, please turn onto Manor Farm Road and at the top of the rise, turn left onto the visitor's car park. You should report to the Gatehouse, where you will be asked to sign in and issued with an identity pass. You will be asked to wait in the visitor shelter and your host/escort will be contacted and will come to meet you. Please note that visitors are to be escorted at all times.

Parking on site

A vehicle pass should be prominently displayed inside the car. Do not park within 25m of any building. Those driving must always observe the Highway Code on the site. There is a maximum speed limit of 20mph in force. Security CCTV with remote recording is used on the site. Vehicles and bags may be searched.

Contractors

Contractors arriving at the site should report to the Gatehouse on arrival. If appropriate, a site induction may be required for safety purposes, and this will be arranged before the issue of a contractor's pass. If a site induction pass is not held, contractors must be escorted at all times. If you already hold a site induction pass, you will be issued with an identity pass which must be worn visibly at all times. You will then be given directions and your host contacted. All passes remain the property of the HPA and must be returned on request. Visitor's passes must be returned on departure. Passes must be worn visibly at all times.

VISITORS ARE SEEN BY APPOINTMENT ONLY. THOSE ARRIVING WITHOUT AN APPOINTMENT MAY BE TURNED AWAY

Health and Safety

All visitors are required to comply with all restrictions and warning signs, for their own safety and that of others. First aid can be arranged by your host. Help can be summoned by dialling the site emergency number, 444.

All visitors must

- have a valid appointment;
- sign the visitors book;
- comply with the health and safety procedures and with the sites security requirements;
- wear their pass in a prominent position where it can be seen at all times;
- Observe any instructions given with regards to access.

Restricted Areas

The nature of some of the work conducted at the Centre means that access restrictions are in force in some areas. Please observe these at all times. Do not enter any laboratories unless authorised to do so by your host. You may not, without specific authority:

- Bring any animals on site
- Enter laboratories
- Bring cameras on site, you will be asked to sign a disclaimer to not use your mobile phone's camera when signing-in at the gatehouse
- Bring explosives, firearms or any other weapons onto the Porton Down site
- Bring any form of radiation on site
- Smoke, except in designated areas

You must not bring animals, controlled drugs, alcohol or other illegal substances onto the Porton Down site.
